## Seamstress needed

We would like to give each of our School Good News Clubs a small fabric bag that they can use for games throughout the year.

We need someone with some sewing skills to sew simple square bags. We have a sample and will provide all materials. We will need about 75 bags. Please contact us if you are interested in doing some or all of these bags.

Everyday of the week, there is at least one Good News Club meeting in Franklin and/or Fulton County. We began the new calendar year with 66 “Released Time” clubs. That means the children are released from school for 1 hour each week in order to attend Good News Club. In

addition to the Released Time clubs, we have three after school clubs that meet in the public schools.

Not all of our clubs are associated with schools. We also have 16 clubs that meet each week in churches, either for regularly scheduled services or for an after school club.

We haven't forgotten about the little ones. Eighteen preschool clubs meet each week. Most of these clubs are in day care centers, but several also meet in churches. If you were keeping track, that's a grand total of 103 clubs meeting each week. Praise God for all that He is doing!

Recently one of our teachers got a letter from her clubber and we thought we'd share it with you. We kept the grammar and spelling exactly as this second grader wrote it.

To Teacher,

I Love good news club! I loved the storys that you tell us and I like the soings and games and missionaries. They are exaitting. I also like good news camp. I like the storys and games and I like learning about Jesus and God.

*Most people aren't thinking about summer yet, but here at the CEF office, we're already making plans for our summer activities. Below are some ways that we may be able to help you this summer and also some ways you may be able to help our ministry.*

Christian Youth in Action™ or CYIA is our summer missions program for teens and college students 14 years of age and older. CYIA involves two weeks of training followed by 3-6 weeks of teaching in our local area. During the training, participants will learn how to be a part of a team that will teach 5-Day Clubs.

We are now in the process of recruiting young people for this coming summer. If you know someone who might be interested in learning more about this program, please contact our office and we'll provide more information.

Last summer, some of our most exciting 5-Day Clubs® were held at churches as part of their Vacation Bible School. We worked with the VBS leaders to provide teaching and counseling for the children during their week of VBS.

Our summer missionaries are extremely flexible and were able to help each church in the areas that they needed it most. We'd love to help your church this summer if that is a need you may have. Contact our office if you'd like more information.

Do you know a missionary who will be stateside this summer? We are looking for missionaries to share their ministries with the children at Good News Camp in 2013. If you know of someone that might be interested, we'd love to have you give us their contact information.

Spring and Summer often are times when churches have special meetings. If you need someone to teach your children during these special revivals, business meetings, communion services, etc, please give us a call. We have excellent ways to make the time fun for the children as well as teaching them great truths from the Bible.
