Child Evangelism Fellowship® of Franklin/Fulton Counties

## Thank You!

We want to thank so many of you who participated in our angel fundraiser during December. Your gifts were a blessing to our ministry and helped us finish the year with all of our bills paid in full. A special thanks to those who gave to our ministry for the very first time. That was such an encouragement to us.

***“But my God shall supply all your need according to his riches in glory by Christ Jesus.”***

***Philippians 4:19***

## Apartment for Rent

The CEF building in Waynesboro has a second story, one-bedroom apartment for rent. It's available immediately. If you know someone who might be interested, please have them contact us using the contact information on the back of this page.

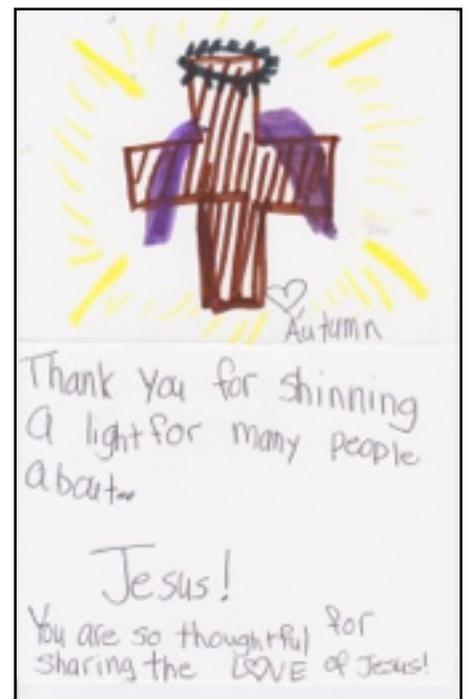

Good News Club volunteers don't receive a paycheck for teaching, discipling, counseling, driving, and disciplining children each week. They put in many hours to reach children, many of whom have no other person in their lives to share the love of Jesus with them.

Even though they don't get money put into their accounts, they collect another form of paychecks. They get deposits of smiles, high fives, watching children memorize Scripture, seeing them learn to pray and read their Bibles, and witnessing changes in their lives that are evident after they meet Jesus.

Sometimes the rewards are more tangible like this card we received from Autumn, a child in Good News Club. As you can see, Autumn realized exactly what her teachers were doing for her and her classmates and she wanted to thank them for being a light.

“Paychecks” like these encourage the volunteers in their work and inspire them to stay faithful to the task.

Are you looking for a paycheck? We have many job openings for you. The rewards are fantastic and you'll love the job and your co-workers.

*Most people aren't thinking about summer yet, but here at the CEF office, we're already making plans for our summer activities. Below are some ways that we may be able to help you this summer and also some ways you may be able to help our ministry.*

# SUMMER PREVIEW

Christian Youth in Action™ or CYIA is our summer missions program for college students and teens 14 years of age and older. CYIA involves two weeks of training followed by 3-6 weeks of teaching in our local area. During the training, participants will learn how to be a part of a team that will teach 5-Day Clubs. We are now in the process of recruiting young people for this coming summer. If you know someone who might be interested in learning more about this program, please contact our office and we'll provide more information.

Last summer, some of our most exciting 5-Day Clubs® were held at churches as part of their Vacation Bible School. We worked with the VBS leaders to provide teaching and counseling for the children during their week of VBS.

Our summer missionaries are extremely flexible and were able to help each church in the areas that they needed it most. We'd love to help your church this summer if that is a need you may have. Contact our office if you'd like more information.

Do you know a missionary who will be stateside this summer? We are looking for missionaries to share their ministries with the children at Good News Camp in 2014. If you know of someone that might be interested, we'd love to have you give us their contact information.
