Exciting New Resources

CEF Press®, located in Warrenton, MO, provides all of the printed materials used in Good News Clubs. Recently, CEF Press made a decision to revamp their material into a four year cycle. As part of this process, they are producing biblically sound, beautifully illustrated materials to be used in Good News Clubs, churches, Christian schools, and other children's ministries. These new materials come with large verse visuals, main truth cards, and a time line to help the children understand the events of each lesson. So far, three lesson series have been completed and are available in our office: God, the Creator King, Jesus is God Who Cares for People, and God's Plan in Action: The Early Church. Please stop by our office to learn more about these available resources.

As CEF® updates it's materials, we have a chance to get updated materials as well. Since **Esther** is the series we will use at camp this summer, we're planning to provide new Esther materials for our teachers and campers. Esther was updated with new artwork recently and we'd love to replace our old lessons with the new series. Each updated lesson costs about \$13.00 and we'd like to have 110 of them available. If you'd like to help with this cost, it would be greatly appreciated by everyone at camp. Please return the form at the left with your gift if you feel lead to help with this need.

Most people aren't thinking about summer yet, but here at the CEF office, we're already making plans for our summer activities. Below are some ways that we may be able to help you this summer and also some ways you may be able to help our ministry.

Christian Youth in Action, or CYIA, is our summer missions program for college students and teens 14 years of age and older. CYIA involves two weeks of training followed by 3-6 weeks of teaching in our local area. During the training, participants will learn how to be a part of a team that will teach 5-Day Clubs®. We are now in the process of recruiting young people for this coming summer. If you know someone who might be interested in learning more about this program, please contact our office and we'll provide more information.

Last summer, some of our most exciting 5-Day Clubs® were held at churches as part of their Vacation Bible School. We worked with the VBS leaders to provide teaching and counseling for the children during their week of VBS.

Our summer missionaries are extremely flexible and were able to help each church in the areas that they needed it most. We'd love to help your church this summer if that is a need you may have. Contact our office if you'd like more information.

Do you know a missionary who will be stateside this summer? We are looking for missionaries to share their ministries with the children at Good News Camp in 2015. If you know of someone who might be interested, we'd love to have you give us their contact information.

Plans are underway for another exciting summer of Good News Camp. Next month, we'll have more details, but if you're interested in knowing the dates for this summer, the schedule can be found on our website - www.franklincef.com. Start planning now for the week you'd like to serve.
