

Good News

October begins a new month of ministry for CEF and for our family. Once again we'll be involved with several Good News Clubs teaching, counseling, and driving buses. Over the past few weeks, we've really had to rely on God and His timing as we've been making plans for Fall clubs. We're so thankful for daily answers to prayer as we hear back from workers who will continue to serve in Good News Clubs. We're

also encouraged as new workers contact us about volunteering. Many times we've seen God provide what we need just in time. Although we love working with clubs, we're praying for a few more volunteers to lighten our load just a bit. Our biggest need, as always, is bus drivers. The lack of drivers may mean some of our clubs will meet for just one semester this year.

If you'd like to help with a club, please contact us. One person can make a huge difference in the success of a club. You'll be abundantly blessed.

Club materials were waiting for volunteers to pick them up at our open house on September 15.

- ✓ Pray as clubs start this month. Pray for God's provision of needed teachers, helpers, and drivers.
- ✓ Praise for our kids having a great start to the new school year. Pray that they will continue to do well and enjoy their classes.
- ✓ Praise God for opportunities to minister together as a family. Pray that we will make the most of these opportunities and keep a balance with our time and commitments.

Cora

Cora arrived safely in Austria and has already had opportunities to travel in that country and to neighboring countries. She was recently in the Alps where it was snowing! She is really enjoying her classes and loves being there with friends. She'll stay until December.

Caleb

Caleb is a junior now. He's really enjoying the freedom of his online classes. The college class has been very challenging for him, but he's doing well and learning to pace himself to get it all done. He hopes to be able to help in several Good News Clubs starting this month.

Jacob

Jacob is now officially in high school! Since their school is pretty small, it really isn't much of an adjustment for him. He's still attending Cumberland Valley Christian School and he has an excellent group of friends. He'll be playing bass guitar for the high school praise team.

Olivia

Olivia is in 8th grade now and is playing volleyball for her last year on the junior high team. She's been able to have a lot of playing time this year and we've really seen her improve. She really loves the sport and her coach is a blessing in her life.
