

2016

HAPPY NEW YEAR

January 2016

IMPACT

Child Evangelism Fellowship® of Franklin/Fulton Counties

As the year begins, there will be nearly 100 Good News Clubs® meeting each week. Seventy-five of them are school clubs that meet either during or after school hours. The rest are preschool clubs or clubs held in churches. Three clubs had to end in December due to a lack of volunteers, but we're thankful they were able to meet for half a year.

Camp will once again be the highlight of our summer. Preparations are already being made for the eleven weeks of camp ministry.

Several young people have already expressed interest in being a part of this summer ministry in 2016. We're hoping to put together some great teams to go out and serve.

The ministries of CEF in 2016

January's class will feature PA State teacher trainer, Diane Pomroy. She'll be sharing about her ministry as well as giving some great teaching helps.

Three faithful volunteers grade these lessons for children who want to grow in their faith. We're thankful for this great way to do follow-up with children.

Tel-a-Story

The new toll-free number has been getting hundreds of calls. Please share this number with children you know and remind them to call every day.

*A Very Special
"Thank You!"*

As the year ended, we received quite a few special gifts from individuals and churches. We really appreciate the extra support and words of encouragement at the end of the year.

We also want to thank everyone who gave to our ministry during 2015. Some of you gave financially, some gave your time to either clubs, camp or both. Some gave the gift of prayer support and many of you gave a combination of the above. Each gift of money, time, and talents is special to us and a great blessing to the work.

We could not do what we do without all of your help. As we look to the new year, we will once again need your help in each of these areas. We have some needs to meet and are counting on each of you to partner with us again this year.

If you want to know some specific areas where help is needed, please contact our office for more information.

One of the joys of the ministry of CEF is seeing children who grew up in the ministry become leaders themselves. The experiences they have at camp or in Good News Clubs makes them great resources for teaching or helping as they become teenagers and adults. Currently we have teenagers serving as teachers, helpers, bus riders, and counselors. It's such a blessing to see them pass on what they've learned to the next generation.

Spencer grew up attending Good News Camp and has been camp junior staff for two summers. Now he teaches a weekly school club for the children at Mowrey.

Caleb has served as both camp junior staff and summer missionary in the past. Now he is a leader at the Hooverville club.

Justin came to camp as a child. He also has been working as camp staff for several years. This school year, he has been teaching, counseling, and helping at three clubs each week as part of an internship program with his high school.

Teens who used to help just one week at camp can now help year round by serving at clubs. Many of these teens are homeschooled which gives them more flexibility. They are a great asset in these clubs and they are also a wonderful example to the younger children.
