Child Evangelism Fellowship® of Franklin/Fulton Counties

Over the years, we've been keeping you updated with Child Evangelism Fellowship's goal to be "Around the World in 80 Years". The goal of this movement is to have an active work for the children in every country of the world by the 80th anniversary of CEF, which will be in 2017.

Recently, the president of CEF, Reese Kauffman, announced that country number 195 has just been added. Praise the Lord for what He is doing around the world. Please continue to pray for the remaining countries and especially for the Regional leaders who are implementing plans to reach every country by next year.

## Around the World

You may have heard it said that, "The sun never sets on the work of CEF." One of our favorite things is hearing about what is happening with the ministry in other places in the world. Here are a few highlights:

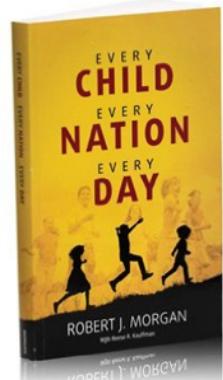

**From Africa:** Three children - ages seven, five, and four - decided to pretend to have a Good News Club at their house. The seven-year-old said, "I will teach the Bible lesson." The five-year-old said, I will teach the memory verse." The four year old said "I will be the song leader." Each one of them did very well and the parents were very happy. Instead of fighting, the children were having Good News Club together!"

**From Haiti:** A Good News Club teacher went to a poor and difficult community not far from the capital. The children were gathered to take part in a special club. After club, one of the children said, "What a blessing to have the opportunity to be enrolled in a Good News Club. Two years ago I was lost and very far from God. Now I can praise Him and develop a relationship with Him."

**From Australia:** A 12-year-old girl returned her Bible correspondence lesson to be checked. She wrote, "I always thought I was a Christian until I did this lesson and found out that I was not a Christian. In large letters she added, "BUT I AM NOW."

# Camp Update

We're thankful for those of you that have donated money or supplies in the past month. We still need the majority of the donation items that were printed in last month's newsletter. Please let us know if your church or group is able to collect some of these much needed supplies for camp. These donations help us keep the cost low for children to attend.

Our biggest need is additional space for campers to store their things and change for afternoon activities. We've been meeting this need by using modular buildings and they have worked very well. We'd love to buy one large or two small buildings before camp begins this summer. This would allow us to have room inside the main building for more campers. Please contact us if you'd like more details about this project.

Teacher Training Class for the month of April will be a special blessing as we hear more updates of what God is doing all around the world through the ministry of CEF. Bill Elgin, who is on the CEF Board of Trustees will be our speaker and he'll be sharing updates from America as well as other countries. Classes will meet at:

Chambersburg Bible Church, Monday, April 4 from 9:15 - 10:15

McConnellsburg United Methodist Church (121 N. 2nd Street) Monday, April 4 from 7-8 PM

The CEF office (45 S Broad Street) Tuesday, April 5 from 9:15 - 10:15 AM or 7-8 PM

All four classes will be the same so choose the one that best suits your schedule. Anyone is welcome.
