Summer Staff

We are pleased to share with you the team of high school and college students God has called to work with us this summer in our Christian Youth in Action® (CYIA™) program and as Good News Camp staff. Some of them will work exclusively at camp and some will split their time between camp and 5-Day Clubs®.

Tyler Strine, Spencer Smith, Justin Cassidy, Caleb Russell and Michaela Amend are all returning as summer camp staff. We're thrilled to have such experienced workers to help camp run smoothly. The camp staff will serve as teachers, craft leaders, afternoon activity coordinators, or wherever else they're needed.

Please pray for our camp staff as they serve this summer. Pray that this will be a meaningful experience in their lives and that they will be a blessing as they serve.

Garrison

New to our summer camp staff will be **Sophie Bland and Garrison Smith**. Both of them have a lot of years of camp experience and we're excited to have them on the team.

Michaela

Cora Russell will be working with both programs again this year. She'll go to CYIA training school with our summer missionaries and work with them throughout the summer. She'll also help with leading Good News Camp in our satellite locations. **Jacob Russell and Josiah Fisler** will be returning to the CYIA program for another year. They both learned so much last year and we expect them to use their experience and move into leadership roles this summer. **Caleb Fisler** will be joining them this year as a summer missionary. He's very familiar with our program and we expect him to fit right in.

Camp Update

In the past month, we've seen God work through His people to provide abundantly for Good News Camp. Nearly every day gifts have come in to sponsor campers and to provide supplies and facilities upgrades.

Funds for this adorable little house were donated for our smallest group of girls. They're going to absolutely love it. We're in the process of buying more buildings from additional gifts that have been given. These additional meeting areas will free up more room in the main building which means we can accept more children each week.

Also donated were inner tubes, a basketball backboard, a powerpoint projector, three cabinets, and many cleaning supplies and snacks. We've been overwhelmed at God's provision through the sacrifice of His people.

Now we're asking God to provide the teachers that will be needed each week. If you'd like to know more about what that involves, please contact us. We still need teachers for each week this summer (June 13 - August 5).
