## Back to School

Our Fall schedule is in full swing. Cora returned to Oklahoma Christian University as a junior. She is majoring in Elementary Education and is excited about the practical classes she'll have this year. She has a part time job in the English Lab and will be living in an (on campus) apartment with three of her friends.

Caleb, Jacob, and Olivia are all in high school this year. Caleb is a senior, Jacob a Sophomore, and Olivia a Freshman. Caleb will do another year of online studies with Liberty Online and will take several college courses along with finishing high school. Jacob and Olivia are both returning to Cumberland Valley Christian School. Olivia has already started volleyball season and Jacob has been participating with the school's praise team even through the summer. We're praying for another great year for all of them.

## Summer Memories

Cora, Caleb, and Jacob had a great summer serving through the Christian Youth In Action™ program. They taught clubs and camps all over Franklin and Fulton Counties and even taught several in Washington County, MD. They especially enjoyed working with churches to do Vacation Bible Schools. When they weren't doing clubs and VBS, they spent their time at Good News Camp. They made such good friends with the other junior staff members who served this summer. It was great to see the staff working together. Olivia also volunteered for several weeks as a junior counselor.

Dan and Michelle stayed at the camp in Waynesboro for all eight weeks. One of the highlights of camp for us was seeing the growth in our younger staff and volunteers. God is really using these teenagers and young adults to serve Him in incredible ways. We were also blessed by the many volunteers who came each week. They bring fresh ideas and energy that keep us going when we start to feel tired. We're so thankful for everyone who volunteered their time, gave money or supplies, or remembered us in prayer throughout the summer. You are greatly appreciated.

Our camp theme proved true this summer as we saw God's greatness each and every week.
