

## GOOD NEWS

Children at a neighborhood Good News Club.

Posing in the dresses that were made for us as gifts. The fabric is stamped with the CEF logo.

Visiting with some children after Good News Club

### Right:

Children gather at school for their weekly club. The headmaster told us behavior has greatly improved in his school since the club started. He said he wishes every school in the country could have a Good News Club.

# AFRICA!

Cora, Olivia, and I (Michelle) had a wonderful trip to Ghana, West Africa. We traveled with my dad, Bill Elgin, and got to spend 6 days in the cities of Tema, Accra, and Takradi.

While we were there, CEF workers from 13 different countries across Western Africa also came to participate in a regional conference. We got to meet these workers, hear about their countries, and hear of ways to pray for them and their work. We also got to spend a little bit of time sight-seeing including a trip to the beach and a sobering visit to a castle that was used years ago in the trans-Atlantic slave trade.

The most exciting thing about our time there was our visits to Good News Clubs. We got to see neighborhood clubs where children gathered on patches of dirt in a yard, town clubs that met in a local gathering place, and school clubs where kids by the hundreds were dismissed from class and filled a room to the brim so they could hear the Gospel story.

Cora and Olivia were able to participate in the clubs by singing and doing some Gospel magic. The children kept trying to touch their hair and skin! It's a trip we will never forget. Thanks for your prayers.

Happy Thanksgiving!
