

Dan & Michelle

God continues to bless the ministry of CEF® here in Franklin and Fulton Counties. It's been such an honor to be a part of all that God is doing. As the new year begins, we will once again start plans for Good News Camp and summer ministries. Good News Clubs will continue through April and we are so thankful for the many volunteers that will faithfully lead these clubs until then.

Our family has had another year of blessings as well. We had year filled with family ministry, great health, and good times together. We look forward to how God will use us this coming year.

Caleb is busy working on his National History Day project. This year, he is making a documentary about the impact of the interstate highway system on a growing America. It's a lot of work, but he's learning some great things about the topic as well as using the computer.

Caleb

Cora

Cora starts the New Year busy with cheerleading, studying, college searching, youth group activities, and leading the service club at school. All of these things are keeping her very busy right now. Having her driver's license has been such a blessing as she can now get herself to her many activities.

2013 The Russells

Olivia

Olivia has joined the 5th grade basketball team this year. It's her first experience with basketball and she really loves it. Unfortunately, her arm strength isn't quite enough to make the ball reach the basket - even though she tries with all her might. For now, she's trying to build her strength and concentrating on her passing and defensive skills. The games are really fun to watch.

Jacob

Jacob is old enough to be in the youth group at our church and he's enjoying being with Caleb and joining the youth group activities. He especially enjoys the small group Bible study that meets on Wednesday night for boys in 6th - 8th grade.
