

The Russell Family - July 2013

GOOD NEWS

FAMILY TIME

God allowed us to get away as a family between the end of the school year and the beginning of camp. We were able to go to Williamsburg, Virginia for six days and see some of the local sights.

We spent a day at Busch Gardens riding the rides. After two roller coasters, four of us were ready for a break, but Dan and Cora continued on and rode every coaster in the park. It wasn't crowded, so the lines were short. We all enjoyed the shows, especially the Irish Celtic dancers.

The next day we went to Virginia Beach for a day to have some sun, sand, and water. The boardwalk was a big hit too - especially the ice cream.

We spent a day in Colonial Williamsburg and had so much fun visiting the various shops and hearing the workers describe their trades. Lastly, we went to Water Country, USA and spent most of the day in the wave pool and lazy river.

In between our trips, we had fun watching movies and playing games. It was a wonderful time of relaxation, fun, and family time. We praise God for allowing us to do this before the busy weeks of summer.
