

CEF[®] Impact - God's Provision

Last month, we shared with each of you a challenge that was facing the School Good News Club ministry. We asked you to pray about the need for state police inspected school buses and drivers that would be needed this Fall. We also asked you to give towards our goal of ten thousand dollars to buy one bus. Here is an update:

Soon after that letter was sent, a local man found out about our need and contacted his father-in-law who owns a bus company and had buses for sale. This man desires to see our work continue with the schools and offered to sell us **FOUR BUSES** for less than we expected to pay for one. Not only that, but many of you responded and gave towards this project. We now have enough money to buy all four buses, pay for the inspection and transfer fees, and take care of any other expenses. Thank you all for your prayers and generous giving. Continue praying for drivers to be found who are already certified or who will be willing to get the needed endorsements.

SUMMER UPDATE

God has given us a blessed summer of Good News Camp so far. We've had wonderful weather, amazing staff, dedicated volunteers, exciting missionaries, high energy games and refreshing snocones. Each week we rejoice in seeing children make life-changing decisions as they give their lives to God through

salvation or service commitments. We'll be having a camp work day Saturday, August 9 from 10:00 - 11:30 to close up camp and prepare it for winter. Please come if you can help.

Our summer missionaries are keeping a full schedule as they travel each week throughout our counties to teach 5-Day Clubs. They're also working this year with camp, day cares, and Vacation Bible Schools. God is working in their lives and using them to reach boys and girls.
