CEF[®] *IMPACT*

Dear Friend,

The year 2014 has been a year of highs and lows for CEF of Franklin/Fulton Counties. As we look back over the year, we realize that the goodness of God far outweighed any moments of discouragement. Join us in celebrating what God has done in 2014.

★ We finished the Good News Club[®] year with a record-breaking 112 Good News Clubs reaching 2682 children.

★ We celebrated our 50th year of Good News Camp at the Mark Victor Teeter Memorial Park.

★ We've taken over as caregivers of the camp property, including the house which has been a tremendous blessing to the Russell family.

★ We saw God provide in an incredible way, allowing us to purchase four buses that meet state guidelines. These buses are being used each week to transport hundreds of children and are a huge blessing.

★ We've watched churches take the initiative to adopt local School Good News Clubs by providing staff, meeting locations, financial resources, and follow-up to the children in their community.

★ We've had outstanding attendance at our monthly teacher training classes where teachers are equipped and encouraged in the work of reaching boys and girls.

★ We're finishing the year with healthy finances thanks to our faithful monthly supporters as well as those who give special gifts throughout the year.

Mission's Moments

Each month, the children in Good News Club learn about missionaries serving around the world with Child Evangelism Fellowship. For the month of October, the children learned about the Pinedas in Latin America. Since that coincided with Abner's birthday, the children signed cards to send to him. This helped to personalize missions for the children and also to be an encouragement to our missionary. Pictured is one of the cards he received.

In another club a child turned in the paper to the left. In case you can't see, that's a dollar coin taped at the bottom under the words, "God told me to give you this." We praise God for the opportunity to teach these kids about missions and missionaries each week. God is using it in their lives even at their young ages.

Merry Christmas from the staff of CEF of Franklin/Fulton Counties
