

**DAN, MICHELLE, CORA, CALEB, JACOB, AND OLIVIA RUSSELL - DECEMBER 2014**

*Serving with Child Evangelism Fellowship® in Franklin & Fulton Counties, Pennsylvania*

*Dan*

Dan is keeping busy driving buses for our Good News Clubs. We're still in need of more drivers; so he'll continue driving until God provides replacements. Going to clubs is his favorite part of each day.

*Michelle*

Michelle's highlight this past month was teacher training class. We heard a testimony from an International CEF worker that greatly encouraged all of us. We have 78 workers enrolled in our monthly classes.

*Cora*

Hard to believe, but she's just about to finish her first semester of college. She's loving every minute of it, but we're glad to get to have her home for a few weeks over the holidays.

*Caleb*

Caleb has been working hard on his History Day project. He's creating a website about 5 star generals of World War 2. He's really enjoying it and we're glad he's there to help the other two with their projects.

*Jacob*

Jacob got contacts this past month and is doing really well with the adjustment. He also started his basketball season so they are a blessing as he runs around on the court.

*Olivia*

Olivia has decided to follow in her sister's footsteps and be a cheerleader this year for basketball season. She's excited to do this with her other middle school friends.
