

# Dan and Michelle

God continues to bless the ministry of CEF® here in Franklin and Fulton Counties. It's been such an honor to be a part of all that God is doing. As the new year begins, we will once again start plans for Good News Camp and summer ministries. Good News Clubs will continue through April and we are so thankful for the many volunteers that will faithfully lead these clubs until then.

To be honest, 2014 was a hard year personally with the loss of Michelle's cousin and brother over the summer and her grandfather in December. We're thankful for God's healing presence during these difficult times. Please continue to pray for the Elgin family into the New Year.

# Cora

Cora absolutely loved her first semester of college at Oklahoma Christian University. She made some wonderful friends, took some challenging classes, and learned quite a bit. She'll be home for three weeks over Christmas break and is looking forward to some family time as well as some time to rest and not think about papers or exams. She'll return to school to start classes again on January 5.

# Caleb

After six months with little interest in driving, Caleb has decided he's ready to get serious about doing his practice driving so he can soon get his license. He'll need to complete 65 hours of practice before he can take the driving test.

# The Russells 2015

# Olivia

Olivia and Jacob are enjoying being a part of the youth choir at our church. The director is very creative and they're excited about the fun and interesting things they get to do.

Recently Olivia has developed a love for watching cooking shows on the Food Network. If her other work is done, we can almost always find her watching old episodes of cooking shows on her iPad. She's also taken an interest in helping with the cooking around the house as well. Her favorite is fried rice.

# Jacob

Jacob is doing great with basketball. He says it is a whole lot easier this year because he already knows the plays and the learning curve is not so steep. He had his first game already and scored 6 points. This was exciting because last year, he was timid about shooting the ball. He really loves being on a team with his good friends.
