

GOOD NEWS

ANOTHER SCHOOL YEAR ENDS

Caleb, Jacob, and Olivia finished 10th, 8th, and 7th grade on June 5. Just before leaving, we attended an awards ceremony where they were honored to receive several awards for their hard work this year.

Caleb received the all A Academic Award for having an A in every subject for each marking period. He also received the Christian Character Award for his class.

Jacob also got the all A Academic Award as well as the Christian Character Award. He received an additional award for having the highest GPA in 8th grade.

Olivia got the all A Academic Award and also the award for having the highest GPA in her class.

We're so proud of them for another year of growth both academically and spiritually.

VACATION

Thanks to the generosity of some family friends who own a property in Ocean City, NJ, we were able to get away for a few days before camp began. It was the first time we've been there as a family and we really enjoyed the beach and the boardwalk and the shopping.

Since we were saving on the cost of lodging, we decided to splurge a bit and eat at some fun restaurants. Our seafood eaters had their fill of various types of seafood since we don't usually eat that at home. We all enjoyed treats of funnel cakes, ice cream, and various deep fried creations.

Cora, Caleb, and Olivia tried parasailing and had a lot of fun. The rest of us stayed safely in the boat and enjoyed watching them. We even saw some dolphins on our boat ride.

It was a blessing to have some quiet family time before the start of the camp season. It is also a blessing to have our children helping with various ministries over the summer. We're all busy, but we're busy together and that's a lot of fun.
