# CEF<sup>®</sup> IMPACT

## Christian Youth in Action<sup>®</sup>

This summer we sent five summer workers to receive CEF training along with workers from all over the state. After the training, they had opportunities to travel throughout Franklin and

Fulton Counties teaching 5-Day Cubs, Vacation Bible Schools, and Good News Camp. It was a summer full of great memories and experiences for each of them.

## School Good News Clubs<sup>®</sup>

*School clubs are set to begin this month in elementary schools in Franklin and Fulton Counties. Please use the back of your prayer calendar as a prayer guide to pray for clubs each day. Pray especially for the clubs that are still short staffed. Pray that God will provide the needed workers so every club can start on time. Bus drivers are still a desperate need. If you know anyone with a CDL that would like to volunteer or work part time hours, please have them contact us right away.*

Left: Praise God that our buses all passed State Police Inspection. Pray for drivers.

Right: A large club at Saint Thomas. Pray for more teachers for our larger clubs.
