

DAN, MICHELLE, CORA, CALEB, JACOB, AND OLIVIA RUSSELL - DECEMBER 2015

Serving with Child Evangelism Fellowship® in Franklin & Fulton Counties, Pennsylvania

Dan

Dan is keeping busy driving buses for our Good News Clubs. We're still in need of more drivers; so he'll continue driving until God provides replacements. Going to clubs is his favorite part of each day.

Michelle

Michelle is just teaching two clubs this Fall since God provided teachers in other places. Her highlight each week is teaching the children about CEF missionaries serving around the world.

Cora

Cora is returning home from her semester in Europe on Dec 4. She's had a wonderful time, but is ready to be home. We are excited to see her again and hear about her adventures. She has hundreds of pictures.

Caleb

Caleb is helping with a Good News Club on Wednesday afternoons. He's still enjoying his online classes and the flexibility they give him. He completed his first college course and will take another one in January.

Jacob

Jacob is on the junior varsity basketball team this year. He has really learned a lot practicing with the older, more experienced players. He's just over 6 feet tall now, so it's a good fit for him.

Olivia

Olivia has decided to concentrate on becoming a better volleyball player. She's attended some clinics and is trying out for a winter team in early December. She really loves it.
