Good News Camp just flew by this summer as a new crop of children and volunteers arrived each week. We were all challenged by the life of Nehemiah. Many of the children commented that they had never really learned much about Nehemiah before; so, they found the biblical account very exciting.

We were all challenged by a main truth each day.

Good News Camp 2016

Monday
You can trust God to answer your prayers at the right time and in the right way.

Tuesday
Your actions should show that you are thankful to live in a free country.

Wednesday
You can have peace in your heart even when you have problems

Thursday
The Lord Jesus lives in you to help you say no to sin.

Friday
You should remember to thank God often.

Camp was blessed once again this year by an amazing junior staff and by more than 200 volunteers who served for a week or more with the children. The campers and the staff were encouraged by the time spent reading and memorizing God's Word and by the missionaries

that shared their ministries. Even the weather was a blessing almost every day.

School Good News Clubs

School Good News Clubs will be starting at the beginning of October. We have a tremendous group of volunteers lined up to teach, help, counsel, and drive buses.

There are still some areas where we need help. **In some cases, a single volunteer can be the difference between children hearing the gospel or having to wait until a club is properly staffed.**

Our biggest need at this time is bus drivers. Please let us know if you know someone who can help in this area.

Homeschoolers

Over the past several years, homeschoolers have been vital to our School Good News Club ministry. Many of them start as helpers by riding the bus, helping with discipline, and assisting the teacher in the classroom. As they get older, some have even become teachers and leaders in the clubs. We have clubs in every school district and at least one club meets every day of the week so we could work around your schedule. Children in K - grade 2 can join as clubbers and older children can be helpers. Most students can get school credit for helping. If you might be interested, please call us at 717-762-2115.

Once again this year, we will have free teacher training classes for all Good News Club teachers or anyone who teaches children in any setting. Each class includes valuable information to help you be the best teacher you can be. Free hand-outs are given to all who attend to help them be more creative and effective as they teach.

Classes meet on the first Monday of the month in Chambersburg and Fulton County and the first Tuesday of the month in Waynesboro. Call for more details.
