CEF[®] IMPACT

The Long Lasting Results of Good News Club[®]

(Testimony of a local student)

My life before Christ was okay. I wasn't a troublemaker mainly because my family is a Christian family...My behavior was good, but something was missing. I learned this in 2nd grade at Good News Club.

John 3:16 for God so loved the world, that he gave his only begotten son, that whoever believeth in him should not perish, but have everlasting life.

In second grade I met God. I learned the wrongs in my ways and I am working on them. So I am better. I met him at Good News Club at the age of 8. To have a relationship with God means you believe Jesus died for you to take your sins away. You know you have sinned and you repent, and you will live for him.

November 2, 2016 has been designated as the Child Evangelism Fellowship[®] World Day of Prayer. We are asking each of you to join us on that day to pray for the work of CEF in Franklin and Fulton Counties, across the United States, and around the world.

On the back of this month's prayer calendar are some specific ways to pray. Our hope is that each of you who receives this letter will set aside at least 20 minutes on that day to pray for CEF. You may also join a local prayer group that will be meeting throughout our area that day. Call the office for details on how to join a group.

Even so it is not the will of your father which is in heaven, that one of these little ones should perish. Matthew 18:14
