

DAN, MICHELLE, CORA, CALEB, JACOB, AND OLIVIA RUSSELL - DECEMBER 2016

Serving with Child Evangelism Fellowship® in Franklin & Fulton Counties, Pennsylvania

Dan

Dan is keeping busy driving buses for our Good News Clubs. We're still in need of more drivers; so he'll continue driving until God provides replacements. Going to clubs is his favorite part of each day.

Michelle

Michelle is just teaching one club right now since God provided teachers in other places. This has given her opportunities to visit other clubs and sub as needed. She enjoys visiting clubs and seeing all the children.

Cora

Cora is in her third year of an elementary education degree. That means she's doing a lot of work in an actual classroom. She's also doing lesson plans and curriculum development. She really enjoys it.

Caleb

Caleb is helping with a Good News Club on Friday afternoons. He's still doing well with his online classes and likes the flexibility they give him. He also works a few hours a week at a part-time job which he enjoys.

Jacob

Jacob is on both the JV and varsity teams this year for basketball. It's going to keep him very busy for the next four months. He got his permit last month, so he's working on getting driving practice.

Olivia

Olivia will play winter volleyball again this year for a team in Hagerstown. She and Jacob have also joined the mock trial team at their school. She is on the prosecution team and Jacob is defense.
