CHRISTMAS BLESSINGS

*Luke 2:11*

## Blessings From Above

As this year comes to a close, it's nice to reflect back on all that God has done for and through the ministry of CEF. It has been a year of exciting outreach, amazing ministries, and answered prayer. It has also been a very busy year with a lot of camp maintenance and other projects that needed to be done as well as keeping up with volunteers, training classes, paperwork, and finances. Thank you for your part in our ministry this year.

Last year, you were asked to help us by praying, giving, and participating. You answered the call as we heard from many of you who committed to pray daily. You also gave generously to meet all of our needs for materials, programs, and operating costs. Lastly, more than 300 of you gave time to be a part of our ministry as a volunteer over the last 12 months. Thank you for doing your part to help us reach the children. Please prayerfully consider what God may be leading you to do for the ministry of Child Evangelism Fellowship in our counties in 2017.

Students are being challenged this month to decorate Christmas trees with missionary offering.

One boy on his first day of club said, "I never heard about the Bible before!" We're thankful we are able to tell him.

Praise God for providing new bus drivers. One has passed the test and several others are in the process.

## Spotlight on School Good News Club®

Each year, we start our Fall clubs not knowing which ones will grow and which ones will remain steady or even have a decline in attendance. As schools focus more and more on standardized testing, parents may find themselves more reluctant to have their children attend club. We've seen several clubs get smaller this year for that very reason. But, we've also seen a few clubs reach a record high enrollment this year. In some cases, we've had enough volunteers to divide the clubs and make them more manageable. In other cases, we need more volunteers to help with the increased numbers.

There are several clubs that need a few extra volunteers to allow us to split the club. By law, we must have 2 adults in each classroom, so in many cases, we simply need a helper to be the second adult. Please consider how you might be able to help in one of these clubs. A smaller club means more individualized attention and less discipline problems. It makes a huge difference.

The Andrew Buchanan club is divided into three groups this year instead of two. Praise God for the volunteers from Chambersburg Bible Church that make this possible.
