

Good News

Happy New Year!

We're excited to begin another year of life here in Pennsylvania and ministry with Child Evangelism Fellowship in Franklin and Fulton Counties. Each year as we begin a new year of ministry, we find that it gets a bit easier than it was the year before as certain things have fallen into a routine.

As we look ahead to what 2017 will bring, we expect another year of Good News Clubs and Good News Camp. We expect to have another great group of summer missionaries teaching throughout our counties and state. We also expect God to bring many more new children and volunteers into our lives and we are excited to meet them. We have many great expectations, but we know that in ministry, as well as in life itself, there will also be some surprises that we aren't expecting. During those times we learn to trust our God the most as He leads us day by day in His will for our lives. A special thank you to all of you who prayed for us and supported us financially this past year. We are so appreciative of you and your support.

Prayer Requests

- ✓ Praise God for a new year of ministry. Praise for the health and safety of our family. Pray that it will continue throughout the new year.
- ✓ There are Good News Clubs each day of the week. Pray for the clubs - especially on days of bad or cold weather.
- ✓ Praise God for family time we are able to have. Pray we'll have this special time each week.

Cora

Cora will get to spend about three weeks at home before heading back to school on Jan 8. She spent this past semester working one day a week in a first grade classroom, but will move up to fourth grade for the Spring semester. She's excited about that new challenge.

Caleb

Caleb has been such a great help over the past months at School Good News Clubs. So far, he's been to seven different clubs to substitute as a teacher or helper. We're so glad we can call on him at the last minute when needed.

Jacob

Jacob is playing on both the JV and Varsity basketball teams at his school. It's keeping him (and us) very busy, but he really loves it. He is also still playing bass guitar for our church praise team, his school praise team, and youth choir. He's getting plenty of practice.

Olivia

Olivia asked for a drum set for Christmas and will be getting it (don't tell if you see her before Christmas). We got her one that is connected to headphones so she can play all she wants and we can still have peace. She hopes to learn to play for choir and praise team.
