

# GOOD NEWS

## GOD PROVIDES

Throughout this past year, we've seen God answer prayer in some amazing ways. As Good News Clubs ended last Spring we knew that we were going to need more help when Fall clubs began. Several of our clubs had gotten so big that they were going to need to be divided. We also had needs for bus drivers, helpers, and volunteers to share the gospel with the children one-on-one during shepherding time.

A plea for help was shared during each week of camp and several of our camp teachers volunteered to continue their ministry by teaching or helping in a School Good News Club.

Several men worked hard to get their bus licenses and have been a blessing to many clubs as some of them drive several times each week. Others are still in the process of obtaining their CDL and hope to have it by Fall.

Needs still remain and we'll be recruiting more volunteers for next year, but we thank God for His faithfulness through another year of amazing ministry.

## CORA

Cora has returned from college for the summer after completing her junior year. We're excited to have her lead our summer mission's program again this year. She'll be busy this month doing training with the new missionaries and setting up ministry opportunities for them to practice what they have learned.

## JACOB

We took our three youngest to visit Appalachian Bible College over Easter weekend and Jacob enjoyed it the most. He loved sitting in on classes and learning about college life. He decided that college is going to be much more fun than high school, but he still has two more years of school before he can test that theory.

## CALEB

Caleb will graduate from Liberty Online Academy (high school) on May 13. His graduation will be in Lynchburg, VA at Liberty University. The whole family will go and we're hoping to stay an extra day or two to celebrate since his birthday is the following day.

## OLIVIA

Olivia is excited about joining her siblings in ministry this summer. She misses Cora so much when she's away at school, so spending the summer with her big sister is an added bonus. She and Jacob's last day of school at Cumberland Valley Christian School will be May 26. She's already counting the days!
