

# GOOD NEWS

## KEEPING BUSY

Now that clubs are over for the year, there is still much to keep us busy. Each bus needs to be inspected, and Dan's been working to prepare them. He's also been recruiting bus drivers for the summer.

Michelle has been working with teachers who have volunteered for the summer. They each have received teaching materials. We have several teachers who are volunteering to be at camp for the first time, so she'll meet with each of them individually to make sure they know what to expect.

Our family is planning to leave as soon as Jacob and Olivia finish school and spend a few days on vacation. Some of you know that our three oldest were born in Louisiana. It was their wish to go back and visit New Orleans since they don't really remember it. We're excited to visit this beautiful city again.

## CORA

Cora is busy planning 5-Day Clubs® for the summer. We have more missionaries this year than in past years. That means we'll need additional clubs to fill their schedules. If you're interested in hosting a club, please let us know.

## CALEB

Caleb had a wonderful graduation in Lynchburg. It was an exciting day for all of us. His plan is to continue with Liberty University Online for his first year of college. He will also be getting a job after his summer ministry.

## JACOB

Jacob was inducted into the National Honor Society last month. We're proud of him for his academic achievements. He works very hard at school, and his efforts have been rewarded.

## OLIVIA

Olivia has completed her Freshman year of high school with great success. During the last month, she took a cake decorating class in Home Economics and really enjoyed learning the decorating methods. For her final, she had to decorate a cake and did it very creatively.
