CEF[®] IMPACT

Christian Youth in Action[®]

Our nine summer missionaries had a great summer teaching 5-Day Clubs, Vacation Bible Schools, and Good News Camp. They started the summer with a week of training with other young people from all over Pennsylvania. After that, they had many opportunities to use all the wonderful things they had learned during their training. Some of them were able to travel to other CEF chapters and help with their outreach. Others stayed in Franklin and Fulton Counties and taught in homes, churches, day cares, and camps. Our missionaries

this summer were Mr Richard and Mrs Rebecca from West and Central Africa. The children in clubs loved learning about this interesting part of the world and the ministry of CEF there. The clubs also had a prayer focus for North Korea. Since many of our clubs were held in places where children had already heard the Gospel, it was nice to challenge them each day during the missions focus. It was also exciting to see how much money they bought to give to missions. It will truly be a blessing to the work in Africa.
