

GOOD NEWS

The Russell Family - Serving With Child Evangelism Fellowship

Club News

All of our School Good News Clubs started in October and had a great start. We're so thankful for the many volunteers that make each club possible. Once again, we have a club for every public elementary school in both Franklin and Fulton counties. We still have a few clubs that could use additional help. Please call if you are interested.

Ministry News

Caleb is teaching a Good News Club each week on Wednesday afternoons. He has a group of ten precious kindergarten students from Guilford Hills Elementary School and he's really enjoying getting to know them and teaching them God's Word. His online schooling gives him flexibility to teach this club and help at others if needed.

Big News

Cora is engaged to be married! We'd like to introduce you to Seth Howard. Seth is from Oklahoma and is also a senior at Oklahoma Christian College. He is majoring in Math education and will graduate with Cora this Spring. They are planning a May wedding and hope to find a place where they can teach school together in the Fall. Seth is a godly man and a spiritual leader and we praise God that He has brought

Seth into Cora's life. Please pray for Cora and Seth as they have some very busy months ahead of them with student teaching, wedding planning, and graduation. We're excited to see how God will use them as they begin this journey of serving Him together.

Sports News

Fall sports have ended for Jacob and Olivia. Olivia's junior varsity volleyball team finished the season 12-1. She got a lot of playing time and really improved her game. Jacob enjoyed running cross country for the first time. He improved his time over the course of the season. He won't have much time to rest as he'll start basketball practice on Oct 30.
