Brain Damage Doesn't Limit God

*(Testimony from
another CEF chapter in
Pennsylvania)*

One little boy who attends a Good News Club® is very shy and quiet, but his teachers are always noticing his beautiful smile. As a baby, the boy was physically abused and suffered brain damage. This caused his teachers to often question just how much of the lessons he was able to comprehend. A couple weeks before the end of the Good News Club year, he responded to the invitation and put his trust in Jesus as his Savior. As one of his teachers put it, "We now realize his comprehension wasn't an issue." Brain damage is no barrier for God. He has the almighty power to reach even those whom we aren't sure have the "ability" to understand.

November 1, 2017 has been designated as the Child Evangelism Fellowship® World Day of Prayer. We are asking each of you to join us on that day to pray for the work of CEF in Franklin and Fulton Counties, across the United States, and around the world.

On the back of this month's prayer calendar are some specific ways to pray. Our hope is that each of you who receives this letter will set aside at least 20 minutes on that day to pray for CEF. You may also join a local prayer group that will be meeting throughout our area that day. Call the office for details about where the groups are meeting and how you can join one. If your church meets on Wednesday evenings, we'd be honored if you would take time to include us in your prayer meeting.

Teacher Training Classes

Last month, a large group of Good News Club workers, Sunday School teachers, school teachers, and Released Time volunteers attended our Teacher Training Class. If you teach children, please join us this month on Nov. 6 and 7. We'll be sharing many creative teaching ideas as well as giving away games with a Thanksgiving theme. Classes will be Monday, Nov. 6 at Chambersburg Bible Church at 9:15 AM or at McConnellsburg United Methodist Church at 7:00 PM. Classes on Tuesday, Nov. 7 will be held at our Waynesboro office at 9:15 AM and 7:00 PM. Choose the class that fits your schedule.

Call for more information. We'd love to see you there.
