

DAN, MICHELLE, CORA, CALEB, JACOB, AND OLIVIA RUSSELL - DECEMBER 2017

Serving with Child Evangelism Fellowship® in Franklin & Fulton Counties, Pennsylvania

Dan

Dan is keeping busy driving buses and teaching Good News Clubs®. He also keeps up with bus, office, and camp maintenance over the winter. Many of our buses will need to pass mechanical inspection this month.

Michelle

Michelle is just teaching one club right now since God provided teachers in other places. This has given her opportunities to visit other clubs and sub as needed. She enjoys visiting clubs and seeing the volunteers and the children.

Cora

Cora will complete her classes in mid-December and will just have student teaching to do before graduation. We're looking forward to spending some time with her over her Christmas break.

Caleb

Caleb will complete his first semester of college this month. The classes have not been too much of a challenge since he had already taken a few during high school. He is so helpful to us around the house. He is also quick to sub at a club if needed.

Jacob

Jacob is on both the JV and varsity basketball teams again this year. It's going to keep him very busy for the next four months, but he really enjoys it. We're looking forward to seeing many of his games.

Olivia

Olivia will play winter volleyball again this year. She and Jacob have also joined the mock trial team at their school for the second year. Their History Day projects are due this month so that is keeping them very busy.
