Child Evangelism Fellowship® of Franklin/Fulton Counties

## The ministries of CEF® in 2018

Good News Clubs® had a great first semester. We are pleased that the weather has been cooperative, the buses have been

running well, and the volunteers have been faithful to serve each week. Each public school in Franklin

and Fulton Counties has a club again this year. More than 1900 children are currently enrolled. We look forward to seeing how God will work as the New Year begins.

January's class will meet on January 8-9 and will feature Diane Pomroy. She'll be sharing about her ministry with CEF® in the Middle East Region.

Tel-a-Story

There is a new story everyday. Please share this number with children you know and remind them to call. The call is free.

We had a wonderful team last summer that served by teaching 5-Day Clubs®, camps, and Vacation Bible Schools.

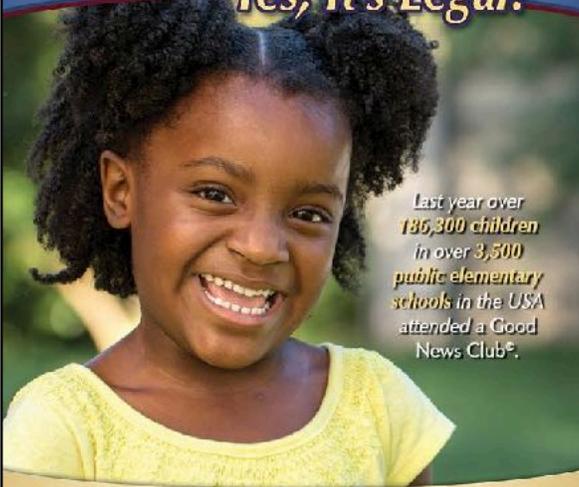

Some will be returning from last year and we hope to have some new members join the team in 2018. We're excited to see how God will use them.

Camp will once again be the highlight of our summer. Preparations are already being made for the many weeks of camp ministry.

Three faithful workers grade these lessons for children who want to grow in their faith. We're thankful for this great way to do follow-up with children.

\*U.S. Supreme Court decision in Good News Club vs. Milford Central School District, June 11, 2001.

As the year begins, one can't help but wonder what all will be in store for our community, our country, and our world in 2018.

We have a unique opportunity to reach children each week through the ministry of CEF. Sometimes we wonder how much longer we will have this privilege. We must make the most of the opportunities we have while we still have them.

Thank you for partnering with us once again this year. We need your daily prayers, your financial gifts, and your volunteer hours to reach these children while the doors are still open.

 CHILD EVANGELISM  
 FELLOWSHIP®  
 Reaching children worldwide™

CEF International is promoting prayer for the children of North Korea. There will be a special focus on asking children that are already involved in a Good News Club or 5-Day Club to pray specifically for North Korean children who are not allowed to learn about God or attend clubs. Pray that God will use the prayers of these little ones to reach an entire nation that has not heard the gospel for multiple generations. Pray that children will be challenged to pray for those that do not have the freedoms and privileges to which they have become accustomed. Please challenge those you know to join CEF throughout 2018 in praying for this lost country. If you'd like flyers like the one shown below, please let us know and we can provide them.

PLEASE PRAY FOR  
**NORTH  
 KOREA**

In North Korea, children just like you need to hear about Jesus. But *Good News Club®* is not allowed there. **Will you pray for Good News Clubs to begin soon in North Korea?**

 FELLOWSHIP®  
 Since 1937 Reaching children worldwide™

Around the globe, children in *Good News Club®* hear the Good News about Jesus and are disciplined in the Word of God. **But it's illegal to share the Gospel in North Korea.** *Child Evangelism Fellowship®* is asking children worldwide to pray God will make a way for boys and girls in North Korea to learn about Jesus through *Good News Club*. Jesus said, "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven" (Matthew 19:14).
