

Good News

Happy New Year!

We're excited to begin another year of life here in Pennsylvania and ministry with Child Evangelism Fellowship in Franklin and Fulton Counties. We're thankful that God has given us another year to serve Him by working alongside hundreds of volunteers to reach thousands of children with the good news of the gospel.

As we look ahead to what 2017 will bring, we expect another year of Good News Clubs and Good News Camp. We are excited to have another great group of summer missionaries teaching throughout our counties and state. We are hoping God will bring many more new children and volunteers into our lives and we are excited to meet them.

This year will bring something new for us. We will get to experience the joy of planning and taking part in a wedding and welcoming a new son into our lives. We're excited to see how God will work in the lives of Seth and Cora as they form their own family. Thank you for your prayers as we make plans and preparations.

Cora and Seth

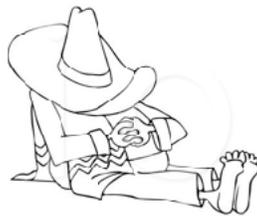

Cora has now completed all of her class work for her college degree in elementary education. After Christmas, she'll begin student teaching. Seth will also be student teaching, but in middle and high school. It will be a busy time for both of them and they are excited.

Caleb

Caleb has been accepted as a student to The College at Southeastern in Wake Forest, NC. He will be an English major. He will be taking online classes this coming semester and hopes to begin classes on campus for the Fall semester.

Jacob

Jacob is excited to have some time off over the holiday season. Being on two basketball teams and three praise teams keeps him very busy. He enjoys all of it very much, but welcomes the chance to rest, recharge, and get ahead on schoolwork.

Olivia

Olivia will turn 16 this month. It's hard to believe that our "baby" is reaching this milestone. She is very excited about this birthday. She is studying diligently for her driver's permit and hopes to get it the very minute she is eligible!
