## BIG CHANGES

This is a big month for Cora and our whole family. Her marriage to Seth Howard will take place on May 26. Please pray for them as they start this new and exciting phase of life. We're thankful that God has brought Seth into our lives and we look forward to watching them grow as husband and wife.

We'd also like to announce that they have both accepted jobs at the Global English School in Nonthaburi, Thailand. It's a private, Christian school and most of their students will be Thai. Seth will teach middle school math and Cora will teach 4th grade. They will teach in English. This is a huge adventure for them and we are so excited to see them start their marriage by serving God together.

Our family visited Thailand when we lived in Asia and we absolutely loved it. We know they will fall in love with the people, the land, the culture, their co-workers, and the children they teach. Pray for them as they make this big move. There are a lot of details to get sorted out before they leave in late July.

## CORA

If you've been following the news, you may have heard about the teacher's strike in Oklahoma. This had a profound effect on Cora and Seth as they were both student teaching in Oklahoma City Schools at the time. Thankfully, a backup plan was formed and, after missing a week of classes, they were able to finish their requirements at a local private school. We praise God for His provision.

## JACOB

Jacob will be taking the SAT this month. We're also hoping to visit a few colleges as he looks towards his future. He thinks he wants to pursue a degree in computers, but is not sure of the specifics. We're planning to visit LeTourneau in TX and Liberty in VA to get ideas.

## CALEB

Caleb completed his year of Good News Club with 9 precious kindergarten students from Guilford Hills Elementary School. He misses them each Wednesday, but we're hoping many of them will come to camp. Caleb still loves school even though it's been an academically challenging semester. He's learning so much. He just completed a timeline that contained 600 events!

## OLIVIA

Olivia is excited to be doing summer missions again. She's especially glad that she can partner with Cora one last summer. She really misses her when they're apart. She's been cooking for us as part of a home ec assignment. She likes to cook gourmet meals and is very good at it.
