

GOOD NEWS

KEEPING BUSY

Now that clubs are over for the year, there is still much to keep us busy. Each bus needs to be inspected, and Dan's been working to prepare them. He's also been recruiting bus drivers for the summer.

Michelle has been working with teachers who have volunteered for the summer. They each have received teaching materials and are preparing for their week of ministering to the children. We are still in need of teachers for nearly every week of camp. If you're considering teaching this summer, please know that we can use you and would love to have you.

For the next two weeks, we will be solely focused on getting the camp property ready for the arrival of the first campers on June 11. We love being able to work outside in this beautiful weather and in the lovely setting of the Mark Victor Teeter Memorial Park.

CORA AND SETH

Our family was able to travel to Edmond, Oklahoma to take part in Cora and Seth's graduation celebration.

They are now both here for the summer and are settling into their apartment. Their busy summer ministry will start with our first VBS on June 10.

CALEB

Caleb finished his first year of college last week. He's been helping at camp and in the office and has really been a blessing to us during this very busy time. He's looking forward to serving at camp again this summer.

JACOB

Jacob is glad to be finished with his junior year of high school. It was a tough year academically with a lot of advanced classes, but he worked hard and did well. He's ready to spend his summer teaching children and having a fun time with clubs and Bible schools.

OLIVIA

Olivia was inducted into the National Honor Society last month. We're proud of her for working so hard and doing so well in school.

*Congratulations to Seth and Cora
Married May 26, 2018*
