

# CEF® Impact - August 2018

---

## The Heart of Missions

If you are familiar with the Good News Camp schedule, you know that each morning from 11:00 - 11:30 is designated as missionary time. This year at camp, we have missionaries representing Argentina, The Dominican Republic, CEF - USA ministries, Russia, CEF in The Caribbean, CEF in The Middle East, and also some local ministries. The missionaries share their ministry and challenge the campers to do their part to “pray, give, and go”.

There is also a mission's project each week and the boys and girls give money to help meet a particular need. This summer they've been buying plane tickets, literature, church and school supplies, and items to fill boxes to send to children at Christmas. One of the most exciting parts of the camp week is on Friday morning when the final missionary offering total is announced and the children cheer with all their hearts as they realize they've reached the goal.

Our prayer is that the children develop a heart for missions in whatever capacity God may call them. A number of this year's missionaries were once campers sitting in those same chairs being challenged by the missionary of the week. Join us in praying that God will use what is being shared to challenge the campers and staff as they think back on their camp experience this year.

## Christian Youth in Action®

Our summer missionaries are all keeping a full schedule as they travel each week throughout our counties to teach 5-Day Clubs, camps, and Vacation Bible Schools. God is working in their lives and using them to reach boys and girls. We're especially thankful for the many open doors for ministry in Fulton County this summer.

You're not missing a page. This month's edition is only one page long. Next month, we'll be back to our regular newsletter.
