CEF[®] IMPACT

Christian Youth in Action[®]

Our five summer missionaries had a great summer teaching 5-Day Clubs, Vacation Bible Schools, and Good News Camp. They started the summer with a week of training with other young people from all over Pennsylvania. After that, they had many opportunities to use all the wonderful things they had learned during their training in homes, churches, day cares, and camps. We were especially pleased with the many clubs we were able to have in Fulton County. Our club missionaries this summer were Vance and Wendy

Sutherland from the Caribbean. The children in clubs loved learning about this interesting part of the world and the ministry of CEF there. Since many of our clubs were held in places where children had already heard the Gospel, it was nice to challenge them each day during the missions focus. It was also exciting to see how much money they bought to give to missions. Many of our summer missionaries will have an opportunity to use their training to teach in a school club this Fall. We're happy to continue using them in this way.
