

Good News

The Russell Family Serving With Child Evangelism Fellowship

Dan

Dan is back on the bus again as Good News Clubs begin. He serves as bus driver and teacher/helper four days a week all across Franklin County.

Michelle

Michelle is teaching two clubs for Ben Chambers Elementary School again this year. They are a delightful group of kids and the Ben Chambers volunteer team is a blessing and encouragement each week.

Cora and Seth

The newlyweds had a very busy month in Thailand with an overnight camp, midterms, and parent-teacher conferences. Things should slow down a bit this month.

Caleb

Caleb was home for a week for fall break and spent a lot of time working around the house and camp property. It was nice to have his help as we are preparing for winter.

Jacob

Jacob completed cross country season and had exactly five days off before basketball season began. Choosing a college is still very much on his mind. He has some great options, but we're praying for God's clear direction.

Olivia

Olivia had an extremely successful volleyball season and loved every minute of it. She has a bit of a break until winter volleyball starts in January. Her heavy academic load will keep her busy.

Happy Thanksgiving
