## *What Difference Can a Little Change Make?*

During the month of December, many clubs have an emphasis on the missionary offering using Christmas trees which the children “decorate” with coins. Every penny of this offering goes to our five Good News Club® missionaries. We teach the children about these missionaries over the course of the year. They learn to pray for them and give to them.

## *Ministry Sharing*

As your church plans its calendar for the new year, please keep in mind that Dan is available to come to your church for pulpit supply, ministry updates, children's programs, or to set up a display about our ministry.

He would love to come for Sunday mornings, mid-week services, or mission's conferences. This is a great way for your church to get to know CEF and the ministry we are doing in your neighborhood.

If you're interested, please contact our office or reach Dan at 717-404-2790 or [drdancef@comcast.net](mailto:drdancef@comcast.net)

## *Giving Back*

Jett Bittner has been coming to Good News Club and Good News Camp since he was 6. This past summer, he completed his Eagle Scout project and donated it to Good News Camp. The sturdy, metal steps in the picture below replaced old, wooden steps that had been used for many years. The children use these steps to access the creek for tubing.

Jett worked with local businesses and volunteers to raise the funds and organize this project from conception to completion. They were installed this past summer and have already been appreciated by those who have used them. We're thankful to Jett for giving back to camp and serving his community in this way. If you know of someone looking for a similar project, much still remains to be done to improve the camp grounds.
