

THE RUSSELL FAMILY - DECEMBER 2018
Serving with Child Evangelism Fellowship® in Franklin & Fulton Counties, Pennsylvania

Dan

Dan is keeping busy driving buses and teaching Good News Clubs®. He also keeps up with bus, office, and camp maintenance over the winter. Many of our buses will need to pass mechanical inspection this month.

Michelle

Michelle is teaching two clubs each week. She uses the other days to sub or to visit other clubs. It's a lot of fun to see the many different clubs. Each has its own personality and each team of workers is a blessing.

Seth & Cora

Our world travelers will be home for Christmas! They arrive on December 20 and we look forward to an exciting visit with them. They will then head back to the precious children in Thailand for another semester of teaching.

Caleb

Caleb will be home for nearly a month of Christmas vacation and semester break. He is very happy at his school (The College at Southeastern) and is excited for the classes he has ahead of him in his second semester on campus

Jacob

It is Jacob's last year of basketball. There are many seniors on the team this year, so they will have a great time together. They will participate in three tournaments as well as regular games.

Olivia

Olivia will play winter volleyball again this year, but now she can drive herself to practices! She is also in the middle of History Day and Mock Trial practices so she's keeping plenty busy.
