

Good News

Happy New Year!

We're excited to begin another year of life and ministry with Child Evangelism Fellowship in Franklin and Fulton Counties. We're thankful that God has given us another year to serve Him by working alongside hundreds of volunteers to reach thousands of children with the gospel.

As we look ahead to what 2019 will bring, we expect another year of Good News Clubs and Good News Camp. We expect to have another great group of summer missionaries teaching throughout our counties and state. We also expect God to bring many more new children and volunteers into our lives and we are excited to meet them. We have many expectations, but we know that in ministry, as well as in life itself, there will also be some surprises that we aren't expecting. During those times we learn to trust our God the most as He leads us day by day in His will for our lives. A special thank you to all of you who prayed for us and supported us financially this past year. We are so appreciative of you and your support. We look forward to seeing how God will direct our family and our ministries this year.

Prayer Requests

Cora and Seth

Thailand

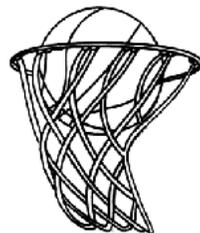

Our newlywed teachers love their ministry in Thailand, but are also glad to have a time of rest and visiting with family before they head back to Global English School to begin a new year of teaching in early January.

Caleb

Caleb has a unique opportunity to take a class this semester which includes a missions' trip to London over Spring break as part of the curriculum. He's very excited about this upcoming adventure.

Jacob

Jacob is in the midst of a busy basketball season. His two online college classes are now completed, so his academic schedule has slowed down a bit. He's still participating in two praise bands by playing bass guitar.

Olivia

Olivia will turn 17 on the 29th of this month. She's doing winter volleyball and mock trial again this year. She's also still doing youth choir and plays drums in the school's praise team. She keeps very busy!
