Child Evangelism Fellowship® of Franklin/Fulton Counties

## The Ministries of CEF® in 2019

Good News Clubs® had a great first semester. We are pleased that the weather has been cooperative, the buses have been

running well, and the volunteers have been faithful to serve each week. Each public school in Franklin and Fulton Counties has a club again this year.

More than 2000 children

are currently enrolled. We look forward to seeing how God will work as the New Year begins.

We had a wonderful team last summer that served by teaching 5-Day Clubs®, camps, and Vacation Bible Schools.

Some will be returning from last year and we hope to have some new members join the team in 2019. We're excited to see how God will use them.

Camp will once again be the highlight of our summer. Preparations are already being made for the many weeks of camp ministry.

January's class will meet on January 7-8 and will feature Diane Pomroy. She'll be sharing about her ministry with CEF in the Middle East Region.

Three faithful workers grade these lessons for children who want to grow in their faith. We're thankful for this great way to do follow-up with children.

There is a new story everyday. Please share this number with children you know and remind them to call. The call is free.

Ministry Opportunities

As the year begins, we have some urgent needs that God might use you to fill. Please contact us right away if you want more information about how you can partner with us in one of the following ministries.

1. Good News Club Teacher: We have several clubs that need a teacher. In some cases, large clubs need to be divided into smaller, more manageable groups. Extra teaches make that possible. All materials and training are provided. There are opportunities Tuesday - Friday each week.
2. Good News Club Helper: As clubs grow, we praise God, but we also have a need for additional helpers. We have an urgent need in Roxbury on Thursdays and Scotland on Fridays. Other clubs need help as well. No training or preparation is needed. You must complete background checks.
3. Office Work: Occasionally, we have work that needs to be done in the office. This might include cutting, stapling, counting, laminating, or organizing materials.

Please call or email the office if you can help in any of these ways. An hour or two of your time could make an eternal difference in the life of a child.

CEF International is continuing to ask for prayer for the children of North Korea. They implore us to pray specifically for the doors to open so that Good News Clubs can begin for the children in that oppressive county. Perhaps you could cut out the picture above and put it in a place where you will see it often. Children that attend clubs and camp throughout the world are also being encouraged to pray for the children of North Korea. It is a blessing to see children praying for other children and being burdened for those that are not permitted to hear what they get to hear each week.

Below is a picture of CEF Headquarters in Warrenton, MO. The flags represent countries where CEF ministry is taking place. It is our sincerest hope and prayer that the flag of North Korea will join these flags before another year has passed. Please join us throughout 2019 in praying for God's Word to be shared in this very dark place.
