Child Evangelism Fellowship® of Franklin/Fulton Counties

We are pleased to announce our team of missionaries working with us this summer in our Christian Youth in Action® (CYIA) program. They will attend a week-long training at Roxbury Holiness Camp in June and then serve teaching 5-Day Clubs® for the remainder of the summer. Some of the clubs will be in backyards, some will be at camps or day cares, and some will be Vacation Bible Schools hosted by local churches.

Three of our missionaries are returning and one is new to our team this year. Jacob Russell will be participating for his 6th consecutive year. He will be helping with some leadership roles, especially during the week they are at training school.

Josiah Fisler will be serving for his fifth year after attending a year of college at Pensacola Christian College. We're pleased to have him back. He will be helping in a leadership capacity as well during training school.

It will be the third summer for Olivia Russell and she is the only girl on the team this summer. Luckily, she's not intimidated by that. Since it's her third year, she will join the boys in the Advanced Track Training offered at Roxbury for those that have served for two years or more.

New to our team this year is Thomas McVey. He is a senior at Cumberland Valley Christian School, and this will be his first experience with CEF. Thomas plans to go to college in the Fall to prepare for ministry, so this will be a great experience for him as he pursues that call.

Please pray for these workers this summer. Pray for their health and safety as they travel many miles. Pray that God will use them in mighty ways to reach the children and that He will work in their lives as well. Pray as they work to raise prayer support as well as financial support to cover training, materials, and a stipend.

WELCOME!

LORI SCHRODER - OFFICE MANAGER

Last month, we informed you that Anna Kiser, our current office manager will be ending her time in an official CEF capacity on May 24. We are pleased to announce that God has provided someone to take her place.

Lori Schroder has been volunteering in the CEF office for several years and was already somewhat familiar with some of the duties involved. Over the past few weeks, and for weeks to come, she and Anna will work together to help her learn the many responsibilities that come with being the office manager.

Lori has been a volunteer Good News Club teacher in both Washington and Frederick Counties, MD and is familiar with how clubs work as well as the

materials they use. She wrote the following as a short introduction:

My name is Lori Schroder. I grew up in a missionary family in Canada and became a Christian when I was a young child. My husband Kurt is a church-planting missionary in Cascade, Maryland.

I have been a stay-at-home mom for the past 21 years. Now that my children are all in school I have been looking for God's will about a part-time job. I have a passion for children's ministry and very much enjoy office work. I think that CEF of Franklin/Fulton Counties seems like a "perfect fit."

Pray for Lori as she has a lot to learn and process over the next few weeks and months. Praise God for meeting our needs by providing Lori for the office.

Audrey Golden has been one of the graders for our Mailbox Club correspondence courses for the past 11 years. She now needs to step away from this ministry and we would like to express our thanks for her faithful service. She went over and above what was asked of her and made each child feel loved and special.

We would also like to welcome Jill Miller to the team as the new grader for this age group. Pray for Audrey as she moves on and for Jill as she learns the ropes and makes a difference in these lives.

IT'S NOT TOO LATE!

We still need many teachers and lots of supplies for camp. Let us know if you're willing to help in either area.
