Good News Camp 2019

In case you haven't had a chance to stop by Good News Camp recently, we wanted you to see what we've been doing to get ready for a wonderful summer of ministry.

1. Our balance beam was ruined by rotting wood, so we were thrilled to replace it with a new swing set since that is one of the campers' favorite activities.
2. A junior counselor built these steps to the creek for tubing time as his Eagle Scout Project. The creek is just beautiful this time of year.
3. A stone pathway now leads to the outdoor chapel. Last year's heavy rains made this area very swampy, so this will help keep feet dry.
4. This is our theme verse for the summer.
5. Our superhero theme reminds children that Jesus is the Good Shepherd, the Bread of Life, the Resurrection and the Life, the Light of the World, and the Way, Truth, and Life.

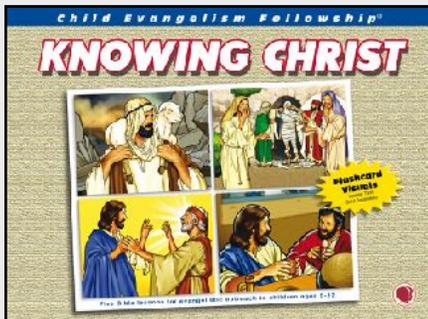

Our summer crew had a great time of training with other teens from all over the state from June 15-21. While there, they learned how to present the gospel to children, how to teach a Bible lesson, songs, missions time, games, counseling, and much more. They are all now equipped for a summer of ministry throughout the area teaching at Good News Camp, Vacation Bible Schools and 5-Day Clubs®.

Our summer team at training school: Jacob Russell, Isaac Hege, David McCullough (visiting from VA), Josiah Fisler, Thomas McVey, Olivia Russell and Garrison Smith.

Good News Camp Update

Camp started on June 10 with campers coming from various parts of Franklin County. That was just the first of 8 weeks at the Mark Victor Teeter Memorial Park. We'll also have a week of camp in Dublin Mills and Path Valley. We're still short a few teachers for weeks later in the summer. If you've been thinking about volunteering, please get in touch with us. It's not too late.

The lessons entitled "Knowing Christ" have been very well received by the campers and are also a tremendous blessing to the teachers and staff.

Each morning in chapel the children learn songs and Bible verses that go with the main truth of the day. One of their favorite songs says:

I was made to give You praise; make me more like You!

Since 1937
