

Good News

The Russell Family Serving With Child Evangelism Fellowship

Dan

Dan is back on the bus again as driver for several clubs where one hasn't been found yet. Pray especially for God to provide a driver on Fridays in Fulton County.

Michelle

Michelle is teaching two clubs for Ben Chambers Elementary School again this year. She is also helping as a substitute at clubs when teachers have to be away.

Cora and Seth

They had a very busy month in Thailand with an overnight camp, midterms, and parent-teacher conferences. They also had a chance to attend some helpful workshops.

Caleb

Caleb was home for a week for fall break and helped with several clubs as a substitute. He enjoyed some uninterrupted time to work on papers which are due soon.

Jacob

Jacob had a shorter fall break - only four days, but we were glad to have him here. He was diagnosed with a sinus infection, but the medicine seems to be doing its job as he is feeling better since his return to school.

Olivia

Olivia's volleyball season ended with a week-long trip to a tournament in Tennessee. It was a great way to end her volleyball career. She doesn't plan to do winter league or play in college, but she loved every minute of the past 7 years of playing her favorite sport.

Happy Thanksgiving
