Child Evangelism Fellowship® of Franklin/Fulton Counties

## The Ministries of CEF® in 2020

Good News Clubs® had a great first semester. We are pleased that the weather has been cooperative, the buses have been

running well, and the volunteers have been faithful to serve each week. Each public school in Franklin and Fulton Counties has a club again this year.

More than 2100 children are currently enrolled. We look forward to seeing how God will work as the New Year begins.

January's class will meet on January 6-7 and will feature Diane Pomroy. She'll be sharing about her ministry with CEF in the Middle East Region.

We had a wonderful team last summer that served by teaching 5-Day Clubs®, camps, and Vacation Bible Schools. Some will be returning from last year and we

Camp will once again be the highlight of our summer. Preparations are already being made for the many weeks of camp ministry.

Three faithful workers grade these lessons for children who want to grow in their faith. We're thankful for this great way to do follow-up with children.

Tel-A-Story offers a new story every day. Please share this number with children you know and remind them to call. The call is free.

CEF International is continuing to ask for prayer for the children of North Korea. They implore us to pray specifically for the doors to open so that Good News Clubs can begin for the children in that oppressive country. Perhaps you could cut out the picture above and put it in a place where you will see it often. Children who attend clubs and camp throughout the world are also being encouraged to pray for the children of North Korea. It is a blessing to see children praying for other children and being burdened for those who are not permitted to hear what they get to hear each week.

Below is a picture of CEF Headquarters in Warrenton, MO. The flags represent countries where CEF ministry is taking place. It is our sincerest hope and prayer that the flag of North Korea will join these flags before another year has passed. Please join us throughout 2020 in praying for God's Word to be shared in this very dark place.
