

Good News

Happy New Year!

We're excited to begin another year of life and ministry with Child Evangelism Fellowship® in Franklin and Fulton Counties. We're thankful that God has given us another year to serve Him by working alongside hundreds of volunteers to reach thousands of children with the gospel. This will be our 13th year of serving in this ministry with our family and friends.

As we look ahead to what 2020 will bring, we expect another year of Good News Clubs® reaching the children enrolled in public schools. We're also anticipating another great summer at Good News Camp. We're trusting God to provide a great group of summer missionaries teaching throughout our counties and state. We also expect God to bring many more new children and volunteers into our lives, and we are excited to meet them.

A special thank you to all of you who prayed for us and supported us financially this past year. We are so appreciative of you and your support. We look forward to seeing how God will direct our family and our ministries this year.

Cora and Seth

Our world travelers were able to schedule plane tickets with a three day local layover, so we don't have to travel to Oklahoma after all. We're looking forward to seeing them for a few days before Christmas and again over New Year's Eve.

Caleb

Caleb recently arrived home for Christmas break. It was a challenging semester, but he really enjoyed the upper level classes. One class was combined with the graduate students, so he enjoyed getting to know them and learning from them.

Jacob

Jacob has arrived home safely from his first semester at Liberty University. It's hard to believe it went by so quickly. He's been using his days to catch up on sleep, play video games, and visit with his local friends. He's been helping with ministry as well.

Olivia

Olivia will turn 18 on the 29th of January! She was recently accepted to LeTourneau University in Longview, Texas. It was her first and only choice; so, she's excited that she's on her way. She plans to major in engineering.

- ✓ There are Good News Clubs each day of the week. Pray for the clubs - especially on days of bad or cold weather.
- ✓ Praise God for family time we are able to have in the midst of many busy schedules.
