IMPACT

Child Evangelism Fellowship® of Franklin/Fulton Counties

Last month in our Teacher Training Classes, we talked about the privilege we have to be a part of the legacy of CEF of Franklin/Fulton Counties. This legacy began in 1952 with Dorothy Morter (Miss Dottie) and quickly grew to include hundreds and eventually thousands of people. Listed below are just a few examples of the legacy that has been built over the years.

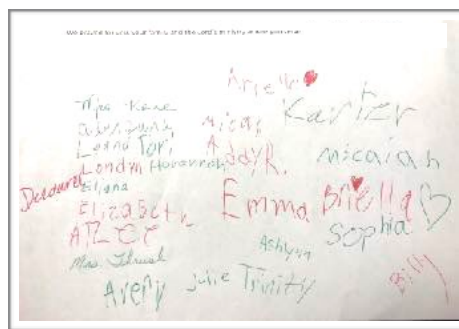

EQUIPPING THE CALLED

Miss Dottie often reminded volunteers that they were chosen by God for service and that He would give them everything they needed to serve Him. Over the years, thousands of teachers, helpers, counselors, nurses, bus drivers, and other volunteers have answered that call and given their lives in service to reach the children. God continues to equip and use hundreds of people each week as they go out to bear fruit that will remain.

PRAYER IS CENTRAL

Our chapter was built on a foundation of prayer, and prayer is still vitally important. Even the children realize the importance of prayer and pray for our ministry. This letter is from a group of second graders at a nearby Christian school who have committed to praying for the ministry.

STUDENTS BECOME SERVANTS

Many of the volunteers who serve today in camp and clubs remember participating as children. They think about the things they learned and the fun they had and want to pass it on to the next generation. Just last month, a lady visited a Good News Club and asked if she could help because she remembers how much fun the club was for her years ago. Her daughter is now attending the same school club she attended and has the same teacher the mom had years ago!

SUMMER PROGRAMS

GOOD NEWS CAMP JUNE 15 - AUGUST 7

Plans are underway for another exciting summer of Good News Camp. Next month, we'll have more details, but if you're interested in knowing the dates for this summer, the schedule can be found on our website: www.franklincef.com. Start planning now for the week you'd like to volunteer. Here is how you can be used at camp:

1. Teachers: Teach a Bible lesson for 30 minutes each day to a small group of children. All lessons and materials are provided. You'll enjoy getting to know the children and the fellowship you will have with other volunteers.
2. Junior Counselors: (Completed grade 8 and up) - Help a small group by leading them by example and having fun with them during an exciting day.
3. Helpers: (Completed grade 7) - Help around camp in general ways and prepare to be a junior counselor in future years.
4. Bus drivers: We are always looking for drivers to get the kids to and from camp.
5. Nurses: Be there for the children to help with cuts, scrapes, and medications. Volunteers must have LPN, RN, or EMT certification.

CYIA™

Christian Youth in Action®, or CYIA, is our summer missions program for college students and teens 14 years of age and older. CYIA involves two weeks of training followed by 3-6 weeks of teaching in our local area. We are now in the process of recruiting young people for this coming summer. If you know someone who might be interested in learning more about this program, please contact our office and we'll provide more information. Please contact us also if you have a location where we could have a 5-Day Club® for children in your area.

Last summer, some of our most exciting 5-Day Clubs were held at churches as part of their Vacation Bible School. We worked with the VBS leaders to provide teaching, songs, games, and counseling for the children during their week of VBS.

Our summer missionaries are extremely flexible and are able to help each church in the areas that they need it most. We'd love to help your church have a meaningful VBS this summer. Contact our office for more details.
