School Clubs

# IMPACT

*Child Evangelism Fellowship® of  
Franklin/Fulton Counties*

All of our School Good News Clubs came to a quick and unexpected end on March 13. Our biggest disappointment was losing the opportunity to give Bibles to the students on the last day of club. Some teachers were able to deliver Bibles before the stay-at-home order. Others are hoping to deliver them after things are open again. Pray that we can find a way to connect with the children when it is safe to do so.

These resources from CEF® are available at:

## Family News

The Russells are doing well. Both our teachers, (Cora and Seth) and our students, (Caleb, Jacob, and Olivia) will be finishing the year online. Caleb and Jacob never went back to college after Spring Break and made a quick adjustment to online classes.

Olivia, who is a senior this year, is the most disappointed. She's missing a lot of memories and is especially sad about missing her senior trip. We're praying she is still able to have graduation on time.

## Camp Update

We are still planning to start camp on June 15 as long as those in authority declare it to be safe. If we are not able to start by then, we're praying we can have a delayed start and still have several weeks of camp. For now, we are making some of our usual preparations, but holding off on buying too many supplies, snacks, crafts, etc. until we see how things fall into place. Once the final decision is made, things will need to happen quickly, and we'll be counting on our junior staff to help us get everything ready.

CEF® missionary, Diane Pomroy, wrote a tract for children which talks about dealing with fear during this time. It is available on our website: [www.franklincef.com](http://www.franklincef.com). Feel free to share it with others.
