

20 Minutes of Prayer

Please set aside time on this special day to pray for the following requests. Praying for each request for one minute will equal 20 minutes of prayer.

November 4, 2020

CEF® of Franklin and Fulton Counties

1. Praise God for a faithful year of ministry in Good News Clubs® and Good News Camp. Even though it was not as we had planned, we are thankful for the opportunities we had. Thank Him for each volunteer who made it possible.
2. Thank God for our committee, Sheldon, George, Bob, Lane, Art, Sally and Michelle. Pray for them and the decisions they make in leading the work in our counties.
3. Pray for your local staff and volunteers to “be strong in the Lord, and in the power of his might” and “put on the whole armor of God, ...” (Ephesians 6:10-11)
4. Praise God for His provision to sustain our ministries. Pray that our finances will continue to be met each month as we seek to share the Good News with every child in our two counties.
5. Praise for several school districts that are allowing us to meet for clubs. Pray for these doors to stay open and for more schools to allow us to begin clubs. Pray that every club can be fully staffed as some of our usual volunteers are not available this year.

CEF® of America

6. Pray for Pennsylvania state director, Mark Wyland, as he leads the work in our state.
7. Pray for the USA ministries division of CEF as they oversee ministry in approximately 400 CEF chapters across the country.
8. Pray for the following states that need state directors: Connecticut, Delaware, Georgia, Massachusetts, Upper Michigan, Missouri, Nevada, New Mexico, Oklahoma, Rhode Island, East Texas, and Vermont.

CEF® Around the World

9. Pray for the country of North Korea. Pray that God will break down the barriers and open this nation to the gospel. CEF workers are ready to mobilize as soon as God opens the doors.
10. Praise God for nearly 25.5 million children reached last year by CEF in countries all around the world. Praise for 98,698 Good News Clubs.
11. Lift up the CEF board of trustees as they face many decisions concerning personnel, strategy, finances, and ministries around the world. Pray for wisdom and God’s leading.
12. Pray for God’s provision for the SPAN™ (Sponsor-A-National™) program which funds national workers in underdeveloped countries. SPAN provides training, materials, and travel expenses to begin work in new areas.
