

**THE RUSSELL FAMILY - DECEMBER 2020**  
*Serving with Child Evangelism Fellowship® in Franklin & Fulton Counties, Pennsylvania*

Preparing for and teaching clubs really looks different this year, but we're so thankful for the clubs that are meeting each week. Each of our volunteers is doing a great job of keeping the children safe and following new protocol. We don't know how long this season will last, so we're thankful for every opportunity we have.

Cora and Seth are not going to make it home for the holidays due to the strict lockdowns in Thailand. We're all pretty disappointed, but they are looking forward to Christmas in a new place. They are both still enjoying their teaching jobs and are making plans to stay for another year if everything continues to go well.

Caleb will graduate with a degree in English/Pastoral Ministries from the College at Southeastern Seminary on December 11. Even though his time was shortened, we're so glad God led him to that school. He really loved it. He's now looking for a job that will fit into one or both of his degree categories.

Jacob is nearly done with his semester online and is very much looking forward to going back to campus in January. He'll be returning to Liberty University with enough credits to be a junior in Computer Science. He's enjoyed teaching a Good News Club over the past few weeks for Summitview Elementary School.

Olivia has two months off for Thanksgiving and Christmas. She's worried that she's going to be bored after her very busy semester. Hopefully she'll enjoy some time to rest. She's looking forward to connecting with some of her local friends over the holidays if they are able to do so.
