

Good News

Happy New Year!

We're excited to begin another year of life and ministry with Child Evangelism Fellowship® in Franklin and Fulton Counties. We're thankful that God has given us another year to serve Him by working alongside hundreds of volunteers to reach thousands of children with the gospel. This will be our 14th year of serving in this ministry with our family and friends.

As we look ahead to what 2021 will bring, the truth is, we really don't know. Last year at this time, we had plans for clubs and camp that were interrupted and changed. As we start a new year, this verse comes to mind: "A man's heart deviseth his way: but the Lord directs his steps." (Proverbs 16:9) We are thankful that God is directing every step in both our personal lives and in our ministry. We will look to Him to give wisdom for many decisions that will need to be made this year.

A special thank you to all of you who prayed for us and supported us financially during this difficult year. We are so appreciative of you. We look forward to seeing how God will direct our family and our ministries this year.

Prayer CHANGES things

Cora and Seth

Although they won't be home this year for the holidays, they are making the season special at their home in Thailand. They set up a tree and hope to travel somewhere inside the country for a vacation during their break from school.

Caleb

Caleb officially graduated on December 11. It was a virtual graduation, but it was very nicely done. He and Dan traveled to NC the following weekend for him to meet one last time with his friends from his church to say good-bye.

Jacob

Jacob finished his semester on Dec 17. Taking classes virtually has been a challenge as he enters higher level studies. He's still planning to return to campus at Liberty University on January 15. They'll quarantine for a week before beginning classes.

Olivia

Olivia has decided to use her time home for semester break to work on getting her CDL, which is a license to drive school buses. She has already passed the written tests and will be working on the driving part for the next few weeks.

- ✓ Praise God for a new year of ministry. Praise for the health and safety of our family. Pray that it will continue throughout the year.
- ✓ Pray for wisdom for us and for all school and state authorities who are making very hard decisions.
- ✓ Praise God for family time we are able to have during this break before everyone heads their separate ways.
